## New Refrigerators - (Pg. 20)

New refrigerator styles have been added to the Fire Magic® product offering. The 3598 offers 4.0 cubic feet capacity, interior lights, and a security lock and key. Plus the door hinge is reversible in the field to accommodate right or left hand opening requirements. The new **3598-DR** (right side door hinge) or **DL** (left side) boasts a stainless steel squared edge premium door and handle that matches well with Fire Magic® flush or select doors and drawers (Black Diamond versions will become 3598H-DR or DL). They're **priced over 12% lower** than the rounded edge Echelon style refrigerator which remains in the line and also feature 4.0 cubic feet capacity, interior lights, and security lock and key. The 3598, 3598-DR or DL, and 3598H-DR or DL will fit the same space as the discontinued 3590A model with the cut-out dimensions remaining 20" wide X 22" deep X 34½" high.
