PURPOSE OF THE PROGRAM

The program is designed to support the advertising and promotion of Vantage Hearth brand vent-free and vented gas heaters, gas logs and gas & wood burning fireplace products that are directed to the consuming public for the purpose of attracting sales in a retail environment.

STANDARD 2012 ADVERTISING PROGRAM

All pre-season and in-season distributor purchases of Vantage Hearth units & accessories accrue a 2% co-op advertising allowance that reimburses qualifying consumer advertising on a 50/50 basis (subject to proper documentation). Note: Co-op for promotional specialty items (Calendars, Pens, etc.) will be limited to .2% of purchases.

"LIVE BURN" DISPLAY PROGRAM

We highly encourage our distributors to show live burning displays. We offer a generous display program for our authorized dealers:

- 25% off Grand Meridian and Space Heaters
- 50% off all Fireplace Products, Accessories and Gas Logs

A credit to your account will be issued for exhibiting qualified products. Displays must have prior approval.

QUALIFICATIONS

Only current products are eligible. Dealer will be reimbursed from available co-op funds by your Vantage Hearth distributor. Dealer must place pre-season order for Vantage Hearth equipment to be eligible for "Live Burn Allowance."

PRICES: All prices and specifications are subject to change without notice. Prices are F.O.B. factory where warehouse and handling charges may apply. Contact factory for parts and pricing.
